What Kagerou Project song have you listened to recently?

>> Recently, I've only been listening to Yuukel Yesterday. Even just listening to the demo, it had the scent of a masterpiece. Out of the songs in the 2nd album, I think it's the one song that especially shines the most.

02

When you think of summer vacation, what memories come to mind?

>> I have a clear memory of watching the Do**emon movie in a room away from the sun, with a stockpile of cola and potato chips.

03

If you could spend your vacation with one character from Kagerou Project, who would it be and where would you go?

>> I want to read manga with Mary-chan the whole time in an air-conditioned room.

Your goals for this summer!

>> I'll take care not to get sick. Since it's summer, I want to go out a lot... That's how I feel, anyway.
